

In the Claims:

Please amend the claims as follows:

25. (Amended) The antigenic fragment of claim 19 which when administered to a Japanese cedar pollen-sensitive individual modifies [wherein said antigenic fragment is capable of modifying, in a Japanese cedar pollen sensitive individual to which it is administered,] the allergic response of the individual to a Japanese cedar pollen allergen.
26. (Amended) The antigenic fragment of claim 20 which when administered to a Japanese cedar pollen-sensitive individual modifies [wherein said antigenic fragment is capable of modifying, in a Japanese cedar pollen sensitive individual to which it is administered,] the allergic response of the individual to a Japanese cedar pollen allergen.
27. (Amended) The antigenic fragment of claim 25 wherein said antigen fragment modifies [is capable of modifying] B-cell response of the individual to a Japanese cedar pollen allergen, T-cell response of the individual to a Japanese cedar pollen antigen, or both.
28. (Amended) The antigenic fragment of claim 26 wherein said antigenic fragment modifies [is capable of modifying] B-cell response of the individual to a Japanese cedar pollen allergen, T-cell response of the individual to a Japanese cedar pollen antigen, or both.

In claim 42, line 2, please delete "capable of modifying", and insert therefor, --which  
modifies--

In claim 44, line 6, please delete "an" and insert therefor -- a --.

In claim 44, line , please delete "allergic".
